

International Institute of Welding International Congress on Welding and Joining

8:30	9	10	11	12	1	2	3	4	5	6
Registration	Opening Ceremony		Coffee Time	Technical Session I: Advanced Welding Processes	Lunch Time		Technical Session III: Residual Stress and Welding Simulation		Coffee Time	
	Key Note Speeches			Technical Session II: Health Monitoring			Technical Session IV: Process Development			
				Poster Presentation Session I: Advanced Welding Processes & Health Monitoring			Poster Presentation Session II: Residual Stress and Welding Simulation & Process Development			

9	10	11	12	1	2	3	4	5	6	
Technical Session V-i: Friction Stir Welding and Processing		Coffee Time	Technical Session V-ii: Friction Stir Welding and Processing		Lunch Time		Discussion Panel: The Strengths, Weaknesses, Opportunities and threats of Welding Industries in Developing Countries		Closing Ceremony	
Technical Session VI-i: Micro-Structure and Mechanical Properties Investigation			Technical Session VI-ii: Micro-Structure and Mechanical Properties Investigation							Coffee Time
			Poster Presentation Session III: Friction Stir Welding and Processing & Micro-Structure and Mechanical Properties Investigation
